This resource guide was developed by the Navarro County Early Childhood Coalition to assist community members in navigating and staying informed during the COVID-19 crisis. We know that organizations across our community are changing their service hours, service methods and offerings, and may have specific policies and procedures to keep the public safe. We've done our best to compile as much accurate information as we can. If you would like to add something to this list or revise a listing, please fill out this [form](#) and we will update it. Thanks for sharing this information with your network.

### [Texans Urged to Use 2-1-1 Texas for COVID-19 Information and Referrals](#)

Texans, no matter where they live, can dial 2-1-1 or (877) 541-7905 and select option 6 to get information and referrals to COVID-19 social services, including testing, community clinics, unemployment benefits and more.

1500 N. Beaton  
(903) 872-3131

### *Northside Baptist Church*

Northside Baptist Church will be distributing food on Wednesday, May 13, from 9a.m. to 12 noon, in the parking lot of the Care Center, located at 2900 North Beaton Street in Corsicana. Please enter off of Forrest lane and you will exit onto Beaton.

All food will be pre-packed in a box (30.5 lbs. each) for each family. The items in the box are primarily food staples ... pinto beans, peanut butter, rice, soups, shelf milk, spaghetti, pork patties & sausage, spaghetti, tomato sauce, cereal, walnuts, applesauce, canned green beans, corn, spinach, etc.

Volunteers have been working in shifts (of 2 or 3) in fully protected clothing to package the boxes in preparation. All areas are regularly sanitized and cleaned as a safety precaution. The distribution will take follow the pattern of the North Texas Food Bank mobile unit procedures, but carried out by volunteers from the church.

Food boxes will only be given out to people in vehicles. Each vehicle will enter the parking lot and handed a short form to fill out. This is a shortened form used by the North Texas Food Bank. It will include name, address, number in household, and approximate income for the family.

Due to the Covid 19 crisis, NTFB has relaxed their requirements for income. Everyone who asks will receive food regardless of income. It would be helpful for those who are receiving food to bring their own pen or pencil. As vehicles will wind their way through the parking lot, they may fill out the form. Once the vehicle reaches the doors to the Center, they are asked to hold the completed form up to their car window. A photograph will be taken of the form. Next, the driver will pull forward. A volunteer will place the box into your vehicle (please open the trunk or side door) and the vehicle can then exit the parking lot.

We hope this process can move along smoothly without too much traffic problems. Assisting with traffic, if needed, will be members of Law Enforcement.

221 S. 45th St.  
888-456-9551  
[www.ssa.gov](http://www.ssa.gov)

### *Food Assistance Through SNAP*

To maximize food assistance help for individual and family households, encourage individuals and families to apply for SNAP through normal SNAP assisters located in community partner locations in their Texas county. Individuals and families can either apply in person if organizations are open, if not apply online through [www.YourTexasBenefits.Com](http://www.YourTexasBenefits.Com) or by calling HHSC's Information and Referral Service Helpline, 2-1-1. HHSC is the only agency that can determine eligibility.

## **Childcare**

Licensed Child Care facilities are following the guidelines put in place by Child Care Licensing including:

1. Only essential workers (as defined by local Shelter in Place [order](#) and [FAQs](#)) are allowed to bring their children to the center
2. No classrooms can be over 12 children and must have the same teachers every day
3. Children will remain in the classroom they are in and not combine with any other rooms. We will be serving meals in the classrooms.
4. Upon arrival at the center, we will have to stop every person and child and take your temperature. If it is at 100.4, your child will not be allowed to stay. If your child has a cough, they will not be allowed to stay.
5. Children may not be permitted if they've had contact with someone with confirmed diagnosis, under investigation for CO-VID 19 in the past 14 days. Children may not be permitted if they've travelled internationally in the last 14 days.
6. Centers are sanitizing all facilities daily, upping handwashing to every 30 minutes, and rotating toys throughout the facility daily.

*Financial Aid for childcare through Texas Workforce Solutions:* Financial aid for child care is available to families throughout Texas, although eligibility guidelines may differ depending on where you reside. Application found [here](#).

For families who participate in the Texas Workforce Commission subsidized child care program (CCS/CCMS), the Commission has determined that children may accrue absences without impacting ongoing eligibility for services. Please visit the TWC website for more information about childcare.

### ***Hope Center***

We are open and here to serve you! A few details about how we are keeping everyone safe:

- We are currently seeing clients by appointment only. Please call 903-872-2881 or Text 903-201-2251 to schedule an appointment.

- At this time only the client being seen is allowed to attend the appointment.

- We ask that all clients wear a mask to their appointment.

- You will have your temperature checked at the door before you are allowed to enter for your appointment and will be asked further screening questions upon arrival.
- We will be continually disinfecting our facilities after every client and will be wearing PPE for the protection of all.
- All classes will remain online for the time being.

They will continue to offer Earn While you Learn Classes on pregnancy, infant parenting and toddler parenting classes through electronic lessons - classes will not be meeting in person. You can still earn the material assistance you need to take care of your children while learning valuable parenting techniques you can put in place during this time.

If you have attended a class in person in the last 2 months and given permission to contact you electronically, you will receive instructions texted to the phone number on file for how to participate and earn points in all classes you are eligible for by the end of day Monday, 3/16.

- If you are wishing to enroll in Earn While you Learn Classes, you must be pregnant or have a child under 36 months of age. If you are eligible, please call the center at 903.872.2881. Groups are meeting weekly using ZOOM. Links can be found on Hope Center Facebook [here](#)

## ***Transportation***

### *Community Transit Service (CSI)*

Transportation services are still running as regularly scheduled. Individuals need to call to set up a ride a week in advance. For information on specific policies and procedures for CTS visit [here](#).

“We’re watching the quickly evolving public-health situation and continue our cleaning practices. Clorox wipes, lysol spray, hand sanitizer, gloves and masks are given to all staff. All buses are cleaned and disinfected on a daily basis. In addition, the buses are given spot checks and disinfecting touch ups between pick-ups. The cleaning involves wiping down seats, windows, the fare box area, handrails and other high-touch areas. Seats (clorox wipes), handrails (clorox wipes) and floors (bleach water) are cleaned every evening. In the event of an unsanitary condition on a bus, that bus is removed from service and deep cleaned and disinfected before it is returned to service.” -Statement from CTS

### *Navarro Regional Hospital*

All patients are being screened for COVID-19 symptoms and risk factors and we have a response plan to protect patients and our staff should it be needed. When a physician determines a patient meets the risk criteria, they will order testing and manage the patient's care and ultimate disposition.

The Centers for Disease Control and Prevention advises:

- Mildly ill patients should be encouraged to stay home and contact their healthcare provider by phone for guidance about clinical management.
- Patients who have severe symptoms, such as difficulty breathing, should seek care immediately.
- Older patients and individuals who have underlying medical conditions or are immunocompromised should contact their physician early in the course of even mild illness.

Navarro Regional Hospital is closed to visitors effective April 1.

- One essential caregiver or family member of patients will be restricted to the following:
  - Delivering a baby
  - A minor (essential caregiver must be a parent or legal guardian)
  - A person with disabilities
  - A person who requires assistance in order to maintain safety

For questions about COVID-19, dial 2-1-1, then choose Option 6.

Hours for visitors: 7:00 a.m. – 8:00 p.m., 7 days per week.

Many cable and communications companies are now offering free tv channels for households to stay connected with public health updates from news outlets. As a result, some households may also receive other non-news outlet channels since many people are stuck at home during this time. Encourage your clients to look through their channels to see if new channels have been added. If not offered in their community, they should contact their cable provider to see if this is available for free (without subscribing). This may help alleviate some of the boredom families are experiencing while at home or during quarantine.

## **Government Agencies**
