

Early Childhood Coalition Meeting Notes

7.21.26

-Introductions and Ice Breakers

-3 Areas of Focus, Reading of Group Agreements, and Mission Statement

-Agency Spotlight: Amy Tidwell with Corsicana Main Street

- The goal is to allow as many people as possible to experience the features of downtown Corsicana regardless of the ability to pay for events.
- Events such as: Christmas Tree Lighting, Christmas Parade, Easter Hop, Boo on the Block, and Holiday Movie Night (partnered with PCHAS and the ECC) are very important to them and it allows families who may not otherwise get to experience these things a chance to come out and be involved.
- Amy is always looking for new partnerships, new events to be a part of, and new ways for Main Street to get involved.
